Subject: Truth in Lending

Please don't let the lenders step on the little guy.

I request your help on these issues:

- Requiring a "Schumer Box," which discloses abbreviated credit-card pricing terms on credit-card solicitations, on the final agreement after a credit card is issued. This way, you'd be able to see if you're actually being charged the same rates and fees as you thought
- Requiring a lender to issue a simplified table in the "change in terms" notice, showing pricing "before" and "after" the change
